## **Humanitarian Work:**

An activist in Human's rights , Orphans, widows and handicapped people.

The main focus of my work are the vulnerable children and help them aspire and achieve as they are the future. Via my organization We Do help I've been able to provide medical, health and other life support to over 8000 Iraqi Displaced personal. Also, provided more than 850 Wheelchairs to handicapped. Around 900 hearing devices for the deaf and mute. Sponsored over 700 medical cases that required surgery inside and outside Iraq in collaboration with other organizations and local Iraqi doctors. Supporting orphans and empowering widows in collaboration with ministries and other institutes mainly the ministry of labour.

I have experience with international NGOs such as;

- The Equal Rights Center/ Washington DC-USA
- Living Light International/ Virginia USA/ Baghdad- Iraq office
- One World Medical Mission- Michigan- US
- UNICEF-Iraq

## **Awards and Certificates of Appreciation:**

-46 letters of appreciation from head's of universities- College deans- The parlement-Minister of Health- Minister of Women's issues- Minister of labor and social work- Minister of Migration and immigration and the UNICEF.
